

Get on the Map with Booyah Local!

Search

## Get your business included in all major online, local map listings!

86% of internet users search for local products and services.

### Increase Your Profits

- ▶ More store visits
- ▶ More phone calls
- ▶ More web traffic
- ...and it's all **trackable!**

### Get Your Business Found

- ▶ Branded searches, example:  
"Pizza Hut, Denver"
- ▶ Non branded searches, example:  
"Pizza, Denver" or "Pizza Catering Denver" etc.

### Service Details

- ▶ **Greater Results for the Money:** Get more traffic and visits for your advertising dollar than through other online and offline marketing methods. Use Booyah Local to supplement or replace your Yellow Pages advertisement.
- ▶ **Proven Methods:** Booyah Local manually submits your business location information using proven keyword strategies and submission techniques to achieve top results. This is not the ineffective automated "feed submission" used by competing services. Booyah builds and cares for your listings by hand.
- ▶ **Wide Reach:** Your business will be listed in the local search results of over 50 search engines, directories, and user review sites, including Google, Yahoo, SuperPages, YellowPages, Local.com, Live.com, Ask.com and dozens of others.
- ▶ **Total Accuracy:** Booyah Local guarantees 100% accurate location data, business description, products and services, coupons, photos and videos.
- ▶ **Top Results:** When someone performs a search for your products or services, your locations will be found in a highly ranked spot in the local map listings.
- ▶ **Consistent Management & Reporting:** Your business listings are updated, monitored, and reported to achieve maximum rankings and ensure your satisfaction.
- ▶ **Mobile Coverage:** The submission process covers all mobile phones, GPS devices, and in-car navigation, iPhone included.
